

## Amendment for Council meeting 22<sup>nd</sup> October 2015

1) Note service choices list of stage 3 options page 339-348 in council papers

2) Accept all service choice stage list 3 options to go to public consultation with the exception of

All service choices which will have an adverse effect on vulnerable children and the elderly.

3) Offer the public the option of increasing the council tax by 10% this will generate 4m which could be used offset savings

4) Inform the public that depending on the financial settlement from the Scottish Government that the Council would consider using a proportion of its reserves as a smoothing fund to offset further cuts in the short term.
